LA MARINA SUNSET CRUISE

Experience a spectacular sun set cruise as you sail into the waterways of Mtwapa creek on a traditional Arab Dhow to experience the sun setting over the African Wilderness. Relax to soothing entertainment and take in the breath-taking tropical scenery. After Sunset enjoy a delicious Seafood Mezze at the La Marina Sea Front Restaurant situated along the calm waterways of Mtwapa Creek in Kilifi. Apart from fresh seafood straight from the fishermen of Mtwapa Creek and Kilifi, You will also find a wide range of meat grills, vegetarian and oriental dishes on their menu.

***Starts from 17h30*

***Best when combines with a Full Day/Half Day Mombasa City Tour*

COST PER PERSON

US\$100

HALF-DAY VISIT TO THE SHIMBA HILLS RESERVE

Visit the reserve that is famous for its concentration of the rare sable antelope, among other animals. The reserve is located 30km south of Mombasa. It consists of a rainforest that is home to more than 50% of rare plants species in Kenya. The highlight is the famous walk to the Sheldrick waterfall with captivating picturesque scenery while descending to the fresh water pool at the foot of the falls.

***Pick up at 07h00 from South Coast and 06h00 from North Coast*

MAMBA VILLAGE CROCODILE FARM TOUR

Mamba Village is the Largest Crocodile Farm in East Africa, with over 10,000 Crocodiles! Mamba Village Mombasa is located 10 kilometers from Mombasa Island and en-route to all nearby major hotels along the Kenyan North Coast. A tour of the farm starts with a movie on the life cycle and behavior of crocodiles, followed by a comprehensive tour of the botanical garden, the aquarium and the rest of the farm. The end is the highlight of the day: a spectacular scene of blood-thirsty crocodiles fighting for food during feeding time.

LAFARGE PARK

Previously known as Haller Park, is a product of the Bamburi Lafarge Eco-System's efforts, since 1971, to convert barren landscape of disused limestone quarries into a vibrant and diverse ecosystem of forest, grasslands and ponds. Dr. René Haller, a Naturalist trained in Horticulture, Landscaping and Tropical Agronomy, has transformed much of the seven square kilometer Bamburi site from a barren and dusty lunar landscape to an ecological haven. Currently, Haller Park plays host to a variety of wildlife including hippos, giraffes, buffalos, and antelopes as well as smaller mammals and birds.

BOMBOLULU WORKSHOPS & CULTURAL CENTRE

The APDK (Association for the Physically Handicapped of Kenya) Bombolulu Workshops and Cultural Centre in Mombasa works with more than 100 people with different abilities, men and women artisans to help them overcome their physical limitations and empower them economically and socially to become fully integrated members of their communities, also providing social benefits to the workers. This nonprofit organization produces crafts of a very high standard and gives vocational training to people with special abilities.

FULL DAY WASINI ISLAND / KISITE MARINE PARK

Depart in a traditional Arab dhow towards Shimoni and the Kisite Marine Park. You will be fascinated by the beauty of the underwater world. A copious sea food lunch will follow. In the afternoon, visit the small Muslim village of Wasini Island (600 habitants). Return to the hotel at the end of the day. Dress light, preferably in cotton short, t-shirt. Carry water-proof shoes, a towel, swimwear and sunscreen.

***Pick up at 07h00 from South Coast and 06h00 from North Coast*

Cost per Adult US\$110
