Detailed Itinerary

Day 1 Mombasa Island - Tsavo East National Park

Drive from Mombasa to Tsavo East National Park.

Enter through the **Bachuma Gate** and proceed on morning game drive in the park

The twin National Parks of Tsavo East and West together form one of Africa's largest wilderness reserves. Tsavo as a whole consists of 10 million acres of pure wilderness, incorporating savannah, ranges and hills, acacia and montane forest, and an extensive river system. This single National Park is larger than the island of Jamaica. The sheer scale of Tsavo gives the visitor a chance to really get away from it all, and to explore the wild in total solitude. On safari here you will see large herds of Elephant, their hides often a luminous red with dust, as well as Lion, Buffalo, Eland, Giraffe Impala, Kudu and possibly Rhinoceros. Tsavo is a birdwatcher's paradise with numerous species of weavers, hornbills, sunbirds, rollers, and raptors commonly seen.

Arrive and check-in at **ASHNIL ARUBA CAMP or VOI WILDLIFE LODGE**. Lunch follows

In the afternoon depart for an afternoon game drive in the park until sunset

Evening, return to the Camp. Dinner and overnight
