Detailed Itinerary

Day 1 Nairobi - Lake Nakuru National Park

08h00: Depart Nairobi and drive to Lake Nakuru making a stop at the Escarpment viewing point.

Drive via the scenic landscapes of the Great Rift Valley floor passing Naivasha town to **Lake Nakuru National Park**.

Check-in for lunch.

After a brief rest, head for afternoon game drive in the park and around the alkaline lake till sunset.

Lake Nakuru, is a shallow alkaline lake in Kenya's Rift Valley and some 62 km² in extent. The road from Nairobi to Nakuru passes down the Kikuyu escarpment with fine views of the Kedong Valley and Mounts Suswa and Longonot. The landscape is picturesque, areas of sedge, marsh and grasslands alternating with rocky cliffs and outcrop. In late 80's the park also became Kenya's first rhino sanctuary and is today home to both the White and Black Rhinos. Lions, leopards, hippos, giraffes, waterbucks are equally at home in this unique park.

Day 2 Lake Nakuru National Park - Amboseli National Park

After breakfast, check out with morning game drive and proceed to Nairobi.

Lunch stop at the **Carnivore restaurant**

And later in the afternoon drive via Emali to **Amboseli National Park**.

Amboseli National Park is renowned for its elephant populations and large herds, including some impressively tusked bulls which are drawn to a series of large, lush swamplands. This area is home to many Maasai communities, centered around the park. It is 400 square kms, with its southern boundary along the Tanzanian border. Here you may have the opportunity to observe herds of wildebeest, zebra and impala graze on the open plains. There are areas of acacia forest that make for good birding and are home to many small mammals. Cheetahs are also often sighted in the park.

Arrive and game drive enroute to the lodge. Check in for dinner and overnight stay

Day 4 Amboseli National Park - Tsavo West National Park

After breakfast, enjoy morning game drive in the Park and later morning proceed for **Tsavo West National Park** arriving for lunch at your lodge.

Evening proceed for game drive till sunset.

The twin National Parks of Tsavo East and West together form one of Africa's largest wilderness reserves. Tsavo as a whole consists of 10 million acres of pure wilderness, incorporating savannah, ranges and hills, acacia and montane forest, and an extensive river system. This single National Park is larger than the island of Jamaica. The sheer scale of Tsavo gives the visitor a chance to really get away from it all, and to explore the wild in total solitude. On safari here you will see large herds of Elephant, their hides often a luminous red with dust, as well as Lion, Buffalo, Eland, Giraffe Impala, Kudu, dik dik, leopard and possibly Rhinoceros.

Return to the lodge for dinner and overnight stay.
